Donna M. Zavattieri Recognized by Worldwide Branding for Excellence in Real Estate

Ms. Zavattieri learned the intricacies of the real estate field through hands-on experience

WHITESTONE, NY, October 5, 2016, Donna M. Zavattieri, Managing Member of Safe Harbour Real Estate Group LLC, has been recognized for showing dedication, leadership and excellence in real estate.

Worldwide Branding, the world's leading international personal branding organization, is proud to endorse the notable professional efforts and accomplishments of Donna M. Zavattieri, Managing Member, Safe Harbour Real Estate Group LLC. A member in good standing, Ms. Zavattieri parlays 33 years' experience into her professional network, and has been noted for achievements, leadership abilities, and the credentials she has provided in association with her Worldwide Branding membership.

About Donna M. Zavattieri:

Throughout her career, Ms. Zavattieri has set herself apart as an expert in the areas of commercial and corporate real estate, asset management, real estate development, investment properties and contract negotiation. She is also adept at dealing with landlords.

Ms. Zavattieri began her career in 1981, working for Helmsley-Spear, Inc. in the corporate accounting department. From there, she had the opportunity to learn management and leasing under the direction of Irving Schneider. Unfortunately, this opportunity would come at the cost of a full scholarship to Baruch College, which she would be unable to attend if she accepted the offer. Thinking in terms of the big picture, Ms. Zavattieri decided that the skills she learned on the job would serve her career better than a college degree, and she learned her business from the bottom up, acquiring a succession of titles including administrative leasing assistant, assistant building manager, building manager, account executive, and asset manager before selling the company on its owner's behalf in the fall of 2007.

She was recently named a [Top Female Executive](#) by Worldwide Branding and among the [2016 Women in Real Estate](#) by the NYREJ. She is an honored member of The International Women's Leadership Association, recognized for her contribution to family, career and community.

Worldwide Branding has added Ms. Zavattieri to their distinguished Registry of Executives, Professionals and Entrepreneurs. While inclusion in Worldwide Branding is an honor, only small selections of members in each discipline are endorsed and promoted as leaders in their professional fields.
